FUNDRAISE ONLINE

Are you doing the Coast to Coast, an Equestrian 3 day event, or running a Marathon? You can fulfill your sporting endeavours' while also helping CatWalk! Fundraise Online is a fantastic online resource, giving individuals or groups the opportunity to fundraise on behalf of their favorite charity with the help of their own personalised webpage.

A personal fundraising page is so simple to build with Fundraise Online... it's secure and EASY! Create a webpage, email your story to friends, family & supporters, they donate & the money is sent straight to CatWalk in your name, no messy forms & no hassles of having to collect all the funds after your event. www.fundraiseonline.co.nz

ONE NEW ZEALANDER
SUFFERS FROM A LIFE
ALTERING SCI EVERY
FIVE DAYS.

MESSAGE FROM ZARA PHILLIPS

It is both a privilege and a pleasure for me to serve as International Patron for The CatWalk Trust.

The cause of Spinal Cord Injury is one close to my heart and since being approached by Catriona Williams and her team, I have seen the charity go from strength to strength. CatWalk has set itself some ambitious goals – but knowing the dedication of its supporters, I share their confidence that a cure is not far away.

I wish CatWalk ongoing success in its campaign for a cure.

Zara Phillips

"Only legs that work could
make our days better!
We want to do things, not
have things," *Catriona Williams*

The CATWALK VISION

WE WANT VICTIMS OF SPINAL CORD INJURY OUT OF WHEELCHAIRS AND BACK ON LEGS

The CatWalk Trust is dedicated to raising funds to support the search for a cure into Spinal Cord Injury (SCI).

One New Zealander suffers from a life altering sci every five days.

This devastating fact not only affects the victim for the remainder of their life (currently), but also their family and friends. The cost to the country of SCI's is circa \$300 million annually.

There are a number of organisations providing valuable rehabilitative support but CatWalk aims to challenge the current boundaries of research, enabling SCI victims to walk again.

Key OBJECTIVES

CATWALK TRUST'S PRIORITIES ARE TO:

- Support the scientific opinion that a cure for SCI can be found
- Promote and generate funding for research into a cure for SCI
- Identify and assist in medical research and development into spinal regeneration
- Monitor the research progress of all scientists funded by the Trust
- Provide targeted assistance to projects that promote the purpose of the Trust
- Foster co-operation between all disciplines engaged in Central Nervous System research, regeneration and direct relief
- Spread information about research into SCI
- Cooperate with international efforts in this field.

New ZEALAND PATRONS

- Sir Brian Lochore
- Aaron Slight
- Lance O'Sullivan
- Dion Nash

"What we have achieved is a fun group with a serious aim - getting people out of wheelchairs".
We welcome your feedback, financial contributions and messages of support.

CatWalk HISTORY

The CatWalk Trustees originally gathered together through common links to a friend critically injured in a riding accident. That friend was Catriona Williams, a former NZ representative equestrian - now a C6-7 tetraplegic.

Initially the group planned to fundraise for Williams – but a bigger picture quickly became clear. A cure for all was the dream – and so The CatWalk Spinal Cord Injury Trust was born.

"THANKS TO EVERYONE WHO HAS SHOWN THEY CARE!"

VITAL Partnership NEUROLOGICAL FOUNDATION OF NZ

The CatWalk Trust is fortunate to have formed a partnership with the Neurological Foundation of New Zealand, an incorporated charity with 30 years experience in combating neuro-degenerative conditions. The Neurological Foundation has a rigorous procedure for allocating their own funds. All our applications for funding go through this same vetting process.

HOW YOU CAN HELP!

Support our goal of GETTING PEOPLE OUT OF WHEELCHAIRS AND BACK ON LEGS by making a tax-deductible donation to The CatWalk Trust.

- Visit www.catwalk.org.nz to make a secure online donation
- Tear off the form and return with a cheque to the address on the reverse
- Call **(06) 377 5430** to make your donation over the phone
